CLINICS**

**3RD-4TH GRADE
SATURDAY, 9/26
@ 8AM**

**6TH-8TH GRADE
SATURDAY, 9/26
@ 9AM**

The Governor of Nevada has not yet approved organized youth sports' games. Until restrictions are lifted, the Flag Football season will consist of 12 one-hour football clinics (two per week for six weeks). They will be taught in small groups (pods) of less than ten players and organized by the Boulder City Parks and Recreation staff. Covid-19 precautionary measures, social distancing, and CDC guidelines will be followed throughout the clinics.

A FREE Flag Football Skills Clinic will be offered for all players to help introduce them to the sport and/or develop the players skills! Clinic is not mandatory. Due to Covid-19 restrictions, please confirm child's attendance at clinic and complete a Covid-19 activities waiver found on [BCNV.org/sports](https://www.bcnv.org/sports) prior to participation
