## Chartered City

Welcome to Boulder City government.

The City of Boulder City was incorporated on October 1, 1959 as a special charter City with a council/manager form of government.

The City Council of Boulder City is comprised of four City Council members, who serve at-large and an elected Mayor who also serves at-large. The terms for the Mayor and the City Council members are \*four years, and the terms are staggered.

\*Those elected in 2021, will serve a shortened term of three years and five months in order to align with the State/County.

## Mayor and City Council

The Mayor serves as a member of the City Council and presides over its meetings. The Mayor has no administrative duties in the City, but is recognized as the head of the City government for all ceremonial purposes and for dealing with emergencies if the State or Federal Government imposes martial law on the City. One of the Council members is elected by the City Council to serve as Mayor pro tempore to act during the absence of the Mayor.

The City Council, including the Mayor, is the governing body of the City and exercises legislative power by enacting ordinances, resolutions, orders, and other policies necessary for the management and execution of the powers vested in the City through the City Charter. By way of illustration, and not by way of limitation, the Council shall have the power to:

- By a concurring vote of not less than three of its members, appoint to and/or remove from office the following City officers: (a) the City Manager; (b) the City Attorney; (c) the City Clerk; and (d) the Municipal Judge.
- Establish other administrative departments and distribute the work of divisions.
- Adopt the budget of the City.
- Inquire into the conduct of any office, department or agency of the City and make investigations as to municipal affairs.
- Appoint the members of all boards, commissions, and committees for specific or indefinite terms as provided elsewhere in the City Charter or in various resolutions or ordinances, with all such persons being removable from office only for cause, provided, however, that all persons so appointed must be and remain bona fide residents of the City during the tenure of each appointment.
- Adopt plats.
- Adopt and modify, from time to time, an official general map of the entire City, and one or more official maps of various portions of the City.

*(continued on next page)*

- Regulate and restrict the height and number of stories of buildings and other structures, the size of yards and courts, the density of populations and the location and use of buildings for trade, industry, business, residence or other purposes.
- Provide for an annual auditing of the City's financial accounts and records by independent auditors.
- Levy such taxes as are authorized by applicable laws.
- Except as required by Federal law or State statute, no officer or employee of the City shall be appointed to any City board or commission, other than as an ex-officio member.

Also, members of the City Council serve on various boards - Las Vegas Convention and Visitors Authority, Regional Transportation Commission, Regional Flood Control, District Board of Health, Southern Nevada Water Authority, Insurance Pool/Pact, Nevada League of Cities, etc.

### Municipal Elections

Boulder City municipal elections are currently held in odd-numbered years; however, they are in the process of transitioning to even-numbered years to align with State/County Elections. The offices of the Mayor and two Council members are conducted in one election year, while the other two Council members are elected in subsequent municipal election years. The Mayor and Council members are typically elected for four-year terms; however, the terms will be shortened to three years and five months during the transition period. The final odd-numbered year municipal election will take place in 2021.

### Boulder City Municipal Elections are:

#### NONPARTISAN, AT-LARGE

- Residents may vote for any candidate on the ballot, regardless of party affiliation.

The primary election must be held on the Tuesday after the first Monday in April of each odd-numbered year.

Pursuant to the Charter, when any candidate for office receives a majority of votes cast in the Primary Election, the candidate must be declared elected and no general election will be held.

If required, municipal general elections must be conducted on the second Tuesday after the first Monday in June.

## Mail Ballot Voting in the 2021 Municipal Election

The City is required to conduct the 2021 Municipal Elections under the guidelines set forth in Assembly Bill 4 (AB4) signed by Governor Sisolak August 3, 2020. AB4 enacts provisions for conducting elections adversely affected by emergencies or disasters.

All active registered voters in Boulder City will automatically receive a mail ballot for the 2021 Municipal Primary and General Election, whether or not they requested one. You may drop off your voted mail ballot at the City Clerk's office, or at either of the early voting sites.

If you decide to vote in-person instead of by mail, you will need to do one of the following:

- If you have your mail ballot, surrender your voted or unvoted mail ballot (preferably in the packet sent to you) to an election official at the voting site.
- If you do not have your mail ballot, you will be required to sign an affirmation at the voting site swearing that you have not already voted in the current election and that you understand no one may attempt to vote or actually vote more than once in the same election.

## DEADLINES

Voted mail ballots sent through the Post Office must be: (1) Mailed in the postage-paid return envelope provided, which must also be signed by the voter; (2) Postmarked on or before Election Day; and (3) Received by the Election Department on or before the 7th day after Election Day.

## IMPORTANT

### Tips for Mail Ballot Voting

- **Only put your own ballot in your own return envelope.** If more ballots than your own are in the envelope when returned, none of the ballots will be counted.
- **Sign the outside of the return envelope.**
- **Clearly mark the ballot per the instructions.** DO NOT sign the actual ballot.
- **Return the voted ballot as soon as possible.** Mail it as soon as possible or deposit it at one of the drop-off sites.
